Fire Season is Here... Are You Ready?

We are so fortunate to live in this area of great beauty. But one of the realities we have to be prepared for is wildfire and the possibility of evacuation. Planning for this needs to begin long before the smoke starts rising.

Sammie's Friends has put together a guide for dealing with the needs of your animals in the event of evacuation. [Click here.](#)

For the Nevada County Emergency Preparedness Guide, [click here.](#)

For Placer County's Emergency Preparedness Tips, [click here.](#)

We will be closed Monday, July 4th, 2016.

In the event of an emergency, please call Atlantic Street Veterinary Hospital Pet Emergency Center in Roseville at (916) 783-4655. They are open 24 hours a day, every day of the year.

**More pets are lost on Independence Day than any other day of the year.
Here are 5 tips to keep them safe:**

- 1. Keep your pets secured inside**
- 2. Turn on the radio or TV at a normal level to distract from the noise of fireworks.**
- 3. Make sure your pets have current ID tags and are microchipped.**
- 4. Have a current and clear picture of your furry friend.
This will help in the event he or she ever goes missing.**
- 5. Distraction with play or exercise can help alleviate fear.**
